# 1. Member Cards & E-Pass Policies

**To access Legends, Members and/or guests must have one of the following:**

- Valid 2011-2012 Legends Member Card
- Printed Legends E-Pass for the specified event
- Name on the admittance list at the Legends entrance

*Note: Non-Member names added to the list will be asked to provide valid identification at check in to verify access*

Every Budweiser Legends Club Membership includes access for four (4) people. Additional access passes for the entire season are available for Members to purchase through Legends Client Services. Pricing for additional season passes varies depending on Membership type. A list of Member names, account numbers and access allotment will be kept on hand each game at the check-in table to ensure Members-Only exclusivity.

The Budweiser Legends Club is pleased to offer all Legends members the opportunity to purchase individual game passes to Boston Bruins and Boston Celtics games. Additional individual passes will allow access for an additional guest(s) to join you in the Legends club during the purchased Bruins or Celtics game. To purchase the individual games passes please contact 617-624-1807. Each member may purchase up to 4 passes for a single event. Once purchased, your additional individual pass(es) may be forwarded or printed at your convenience. ***Please note: Passes are limited and are sold on a first come, first served basis. All sales are final. No refunds or exchanges.***

Every Budweiser Legends Club Member will receive a Budweiser Legends Club Member Card. This card will be presented by the Member or the Member's guest at the Legends check-in table prior to entering to obtain game-specific Legends wristbands. The wristbands will then be used as a means of entry to the Club throughout the game.

In addition, Budweiser Legends Club Members will have the ability to forward their Budweiser Legends Club passes via email through their "My Legends Account" online. These passes, once printed out, are treated the same as the Member Card and must be presented at the Legends check-in table.

Once all of a Member's allotted passes are checked in, no additional access will be granted to that account for that game.

If a Member cannot forward their passes or give their Member Card to their guests prior to the event, they must contact the Legends Coordinator, Ben Mazza at 617-624-1807 at least 3 hours prior to the start of the event to have their guests' names added to the list at the door. Legends Members may only use the Member list kept at the Legends entrance in the event their card or pass is misplaced.

**All Legends Members and guests must check in to gain entry to the club during Bruins and Celtics events.**

**Please Note: Entry to Legends, regardless of Membership access, will not be granted without a valid game/event ticket for the arena.**

## 2. Member Access Policies & Procedures

The Budweiser Legends Club is a Members-Only establishment and is located on Level 3 of TD Garden. Legends Members may enter TD Garden two (2) hours prior to the start of Bruins and Celtics games through the West Premium entrance in North Station. The hours are subject to change due to special events in the building. Members will be given advanced notice of said changes whenever possible. All notifications will be sent out via email. The Budweiser Legends Club is not open for membership access for non-game events unless otherwise noted.

During the first hour of entry, Legends Members and their guests check in at the table located inside the West Premium entrance doors in North Station. Following the first hour of entry, Legends check in will be moved and administered upstairs at the entrance to the Budweiser Legends Club. Upon check in, Members and their guests will be given game-specific Legends access wristbands. The wristband will allow easy access in and out of the Club before, during and after that game when presented at the Club entrance.

All Legends Members and guests must check in every game to gain entry to the Club during Bruins and Celtics events. Legends Members and guests only need to check in once per game to obtain Legends game-specific wristbands.

**Please be aware on particularly busy nights Legends may need to close doors due to fire capacity.**
